

TRANSATLANTIC SIM RACING

Stewards Report

Series:	TSR Spring Cup 2026		
Event:	Round 1 - Algarve	Date:	25-May-2026
Stewards:	Mike Landreth, Anthony Smeekes, Richard Veenema, Arben Nushi, Ian Paskin, Craig Foreman		

Incident Ref:	169
Drivers Involved:	Xander Huizing, Jero Calleja
Session:	Race
Fact:	Jero Calleja missed his braking point and collided with Xander Huizing.
Decision:	10s Penalty to Jero Calleja, avoidable contact
Reason:	The stewards reviewed the replay footage and determined that although Xander Huizing was fuel saving and coasting into the corner, Jero Calleja had been following closely for several laps and had consistently observed Huizing's braking and slowing points. On this occasion, Calleja failed to brake appropriately and made contact with Huizing. The incident was therefore deemed avoidable.
