| Incident Ref:       | 147   |
| Drivers Involved:   | Mike Landreth, Luca Manca   |
| Session:            | Race  |
| Fact:               | Luca Manca out brakes himself and makes contact with Mike Landreth, and then an unsafe rejoin making contact with Simon Steel   |
| Decision:           | 5s Penalty for avoidable contact, and 5s for unsafe rejoin with avoidable contact   |
| Reason:             | <p>The stewards reviewed the replay and video submitted and concluded that the initial contact could have been avoided with more care into the braking zone in early laps,</p> <p>The rejoin was not good, and probably should have taken to the escape route through T4,</p> |
