

TRANSATLANTIC SIM RACING

Stewards Report

Series:	Transatlantic Le Mans LMGT3 Series		
Event:	Race 3 - Monza	Date:	10-Mar-2025
Stewards:	Mike Landreth, Anthony Smeekes, Arben Nushi, Ian Paskin, Craig Foreman		

Incident Ref:	149
Drivers Involved:	bjorn corthouts, Richard Veenema
Session:	Race
Fact:	Richard Veenema brakes to late and makes contact with the BMW of Bjorn, However Bjorn then retaliates and purposely hits Richard
Decision:	10s Penalty to Richard Veenema, avoidable contact, Series Disqualification to Bjorn Corthouts
Reason:	<p>The stewards looked into this incident and agreed the initial contact from Richard was late and possibly was caught out from an early braking from Bjorn due to a car in front of him, However the events afterwards as the drivers rejoined we saw Bjorn drive alongside and intentionally drive into Richard, who was actually waiting to give the position back.</p> <p>In racing incidents and accidents happen, but there is no place for intentional moves like that in TSR races or leagues, if it was heat of the moment or not, it is totally unacceptable.</p>

Additional Details:	Bjorn - At TSR we like to give all drivers a chance, and we will even give a second chance so if you wanted to come back in a future series after learning from this, you are welcome to.
