

TRANSATLANTIC SIM RACING

Stewards Report

Series:	Transatlantic Le Mans Series		
Event:	Race 5 - Bahrain	Date:	10-Feb-2025
Stewards:	Mike Landreth, Richard Veenema, Ian Paskin, Craig Foreman		

Incident Ref:	142
Drivers Involved:	Alan Axon, Bernardo Alves
Session:	Race
Fact:	Car 59 B.Alves darts left into Car 31 of Axon, causing 31 to spin and hit the wall
Decision:	20s penalty car 59 B.Alves, Avoidable Contact
Reason:	The stewards assessed the replay evidence and can clearly see the movement from Car 59 Alves, the data does not indicate if the movement was to correct the car, or was going to go left and saw car 31 at the last minute, either way could have been avoided by car 59
Video Link:	https://youtu.be/ep4fNUo_1DI
Additional Details:	We did note some lag in Car 59 during the race may have been a cause, but unable to determine.
